Presidents Report:

Prez Alanna Greetings everyone! We had an awesome service activity during the month of May. We were able to go to participate in a diaper drive. We collected 9,765 diapers and \$306.22 in cash so give yourselves a big round of applause. I appreciate the leadership of Val Smythe in organizing our diaper drive. If you helped out at this event, please give yourself a pat on the back and know how much your time and volunteer efforts are appreciated. Remember that each Kiwanian is estimated to impact 206 children and heaven knows the children of this world and our community need more help than ever because of world events. At the beginning of May, we held our annual elections. Margie volunteered and was voted in to take the position of President-Elect starting in October. We are also excited that Jill Terlaak was voted in as a new board member, also starting in October. We are excited to have both these ladies take on these roles and responsibilities. And a big thank you to Deb Gilliam for stepping up and accepting the vacant position of our Service Leadership Program Coordinator. She is already proving to do an excellent job. It is so fun to be able to interact with the Key Clubbers on a regular basis and make sure our Key Clubs and their teacher advisors are supported. I appreciate each and every one of you and thank you for all your good work to help make our club a success.

Prez Alanna
