Presidents Report:

As I write this I am sitting in sunny Florida with 80 degree temps knowing that Florida’s idea of a cool front means going down 10 degrees. Having the chance to re-charge and unplug for a few weeks makes me happy. Something everyone should do, take a step back, take a breath and devour the moment in front of you. Remember for each second that goes by no matter what you are doing that second is still moving on. As we have just finished giving thanks whether you were with friends, family or solo we are entering the season of joy. Helping the first graders at Madison with a gift(s) will be bringing smiles to those faces along with smiles to the teachers as well. You as Kiwanians should be proud of yourselves, some will be helping out on the day of party and for those who contributed your efforts are greatly appreciated. We also are honored to help Salvation Army do bell ringing this year at King Soopers, 35th Ave. Sign up, bring a chair if you need to, we will need your help. Have a Merry Christmas, Happy Hanakkuh, safe Holiday season. Looking forward to a fun filled next year!!
